

Coffee from Allpress!

Allpress are a specialty coffee roaster based in Shoreditch. They source all of the coffee through direct trade relationships with coffee farmers, millers and exporters, to be sure of great tasting coffees. They have always concentrated on flavour from selecting the green beans, to choosing the roasting method, and profile. It's all about providing the best tasting, freshly roasted coffee for Parlour and Parlour's coffee lovers. The coffee is roasted daily at their Redchurch Street warehouse.

Herbal Teas from the Rare Tea Co.

Henrietta Lovell and her crew have access to some of the finest teas from around the globe, they trade directly with the farmers, and are all about sustainability and helping the communities and farms they buy from. You won't find better tea anywhere. all at 3.00
